TENEMENT HOUSES
421-23 East York Street
Savannah, Chatham County
Georgia

HISTORICAL NOTES:

These two one story and attic tenement houses of stuccoed brick are located at 421-423 East York Street, at the corner of Price Street. They are said to have been built by John Gardner in 1831.

The arrangement of the chimneys on the roof is unusual. Two of them rise parallel to the ridge line instead of at right angles as is usually the case.

These houses are good examples of the modest type of tenement built in Savannah in the nineteenth century.
